Orthopedic check-up

The **orthopedic check-up** provides actual information about your orthopedic abilities. It is driven by our multidisciplinary team of orthopedics, physiotherapists, sport coaches and occupational therapists.

The orthopedic check-up includes the following services:

- A consultation with the Senior Consultant in orthopedics
- An initial adapted sport check-up
- A full medical report following the consultation and check-ups
- Prescription for treatment

Special price CHF **599.-**

Additional exams:

- An initial physiotherapy check-up CHF 299.-
- An initial occupational therapy check-up CHF 299.-

Any additional exams will be charged as a supplement.
Check-up are carried out only from Monday to Friday.
